HEALTH AND SAFETY

If the Klaxon sounds when you are playing (because of adverse weather conditions; one prolonged note of the klaxon) you must cease play and return to the Clubhouse immediately. You must not take shelter on the course. Play will resume when the klaxon is sounded after play suspension (two short notes of the klaxon). Please take extra care when crossing the bridgeway after playing 9th and 17th holes, as cyclists and pedestrians using it have the right of way.
