## **Captain's Report**

Andrew Kelly provided an overview of his year as Captain. . He described it as a most enjoyable year, Blessed with amazing weather adding 30 yards to our drives making it tough for the big hitters to keep the ball in play, but perfect for me. Also pleasing was Covid not returning.

The Senior Captain's Away Day was at Hinckley on a very hot day. Tough course. Only 37 points to win it. Great meal. Great craic. Great value for money.

Matches, which were a joy to captain, with a majority of winning results. 20 senior club matches were played winning 13 halving 1 and losing 6. Fortress Beeston was Maintained

Guy Birkin Cancer Research Charity Day cancelled due to rain. Will now take place March 2023.

Andrew went on to thank all the Seniors Committee individually for the work they do on behalf of the seniors and gave a token of his appreciation for all the support they have given him.

## **Treasurers Report**

David Harrison told members that we made a £64 loss in the 2021 accounts, but early indications for 2022 suggest we will make a slight profit. As our accounting year does not end until 30th November the accounts will be displayed on the senior's notice board when they are completed in the New Year.

## **New Captain**

Andrew Kelly then proposed Stu Newland as the new Seniors Captain for 2023.

Stu announced he was honoured to be taking over as captain and hoped to emulate Andrews achievements for the forthcoming year, with his away day being at Hinkley Golf Club Leics. Stu went on to propose Terry Unwin as Vice Captain which he gratefully accepted.

Stu announced three changes to the committee with Terry Unwin joining as Vice-Captain and following the resignations of Steve Farmer and Mick Barker. And the retirement of David Harrison.
